Our Mission

Above all else, we are committed to the care and improvement of human life. In recognition of this commitment, we strive to deliver high quality, cost effective healthcare in the communities we serve.

We define quality as, “caring people with the commitment to a continuous process of improvement in the services provided, that will better enable the hospital to meet or exceed our customers’ needs and expectations.”

St. Mark’s Profile

Since 1872, St. Mark’s Hospital has had a history of providing exceptional care for our patients. By putting the welfare of our patients first, St. Mark’s has achieved numerous national recognitions, including the following:

- Ranked in the top 10% of hospitals nationally for joint replacement surgery, pulmonary care, critical care and general surgery
- Named both a 100 Top Cardiovascular Hospital and a 100 Top Overall Hospital by Solucient
- “Most Preferred Hospital” in Salt Lake County by Valley Research

St. Mark’s Hospital offers a variety of services and specialties including cardiology, orthopedics, women’s health, high-risk pregnancy, senior health services, and more. Once you experience the compassionate care and clinical expertise at St. Mark’s Hospital, you’ll understand why patients continue to choose St. Mark’s Hospital.

Visiting Hours

A patient's family or friends may visit the patient at any time provided the patient's condition can accommodate visits, and that the visitor's conduct does not interfere with the care and comfort of other patients. Children may not be unattended while visiting patients. Certain areas within the hospital, such as ICU and NICU, have specific visiting guidelines unique to their area.

The hospital's main doors are locked from 10:00 PM - 5:00 AM. During those times visitors must enter and exit the main hospital through the Emergency Department doors at the Central Medical Office Building.

Security

Providing a secure environment for patients, visitors, and staff is one of St. Mark's Hospital's top priorities. If a situation arises that compromises your safety or the safety of others, or to report any suspicious activity, please contact hospital security at 801-301-2150.

Chaplain Services

St. Mark's Hospital provides multi-faith chaplaincy services 24 hours a day 7 days a week. The chaplaincy program at St. Mark's Hospital is the only Association of Clinical Pastoral Education (ACPE) accredited chaplaincy program in the state of Utah. Trained chaplains provide grief and stress counseling, assist with living wills, help contact local clergy, and conduct routine spiritual care visits to patients, families, and visitors. Chaplain services are provided as a complimentary service. To contact chaplain services, dial extension 7292 from any hospital phone.

Chapel

Our beautiful, multi-faith chapel is located on the main floor of the hospital and is open throughout the day and evening. All are welcome to visit the chapel for quiet prayer or meditation. The following scheduled services are held in the chapel:

- LDS Sacrament Meeting, Sunday 1:00 PM
- Holy Communion, Wednesday 11:00 AM

Patient Complaint

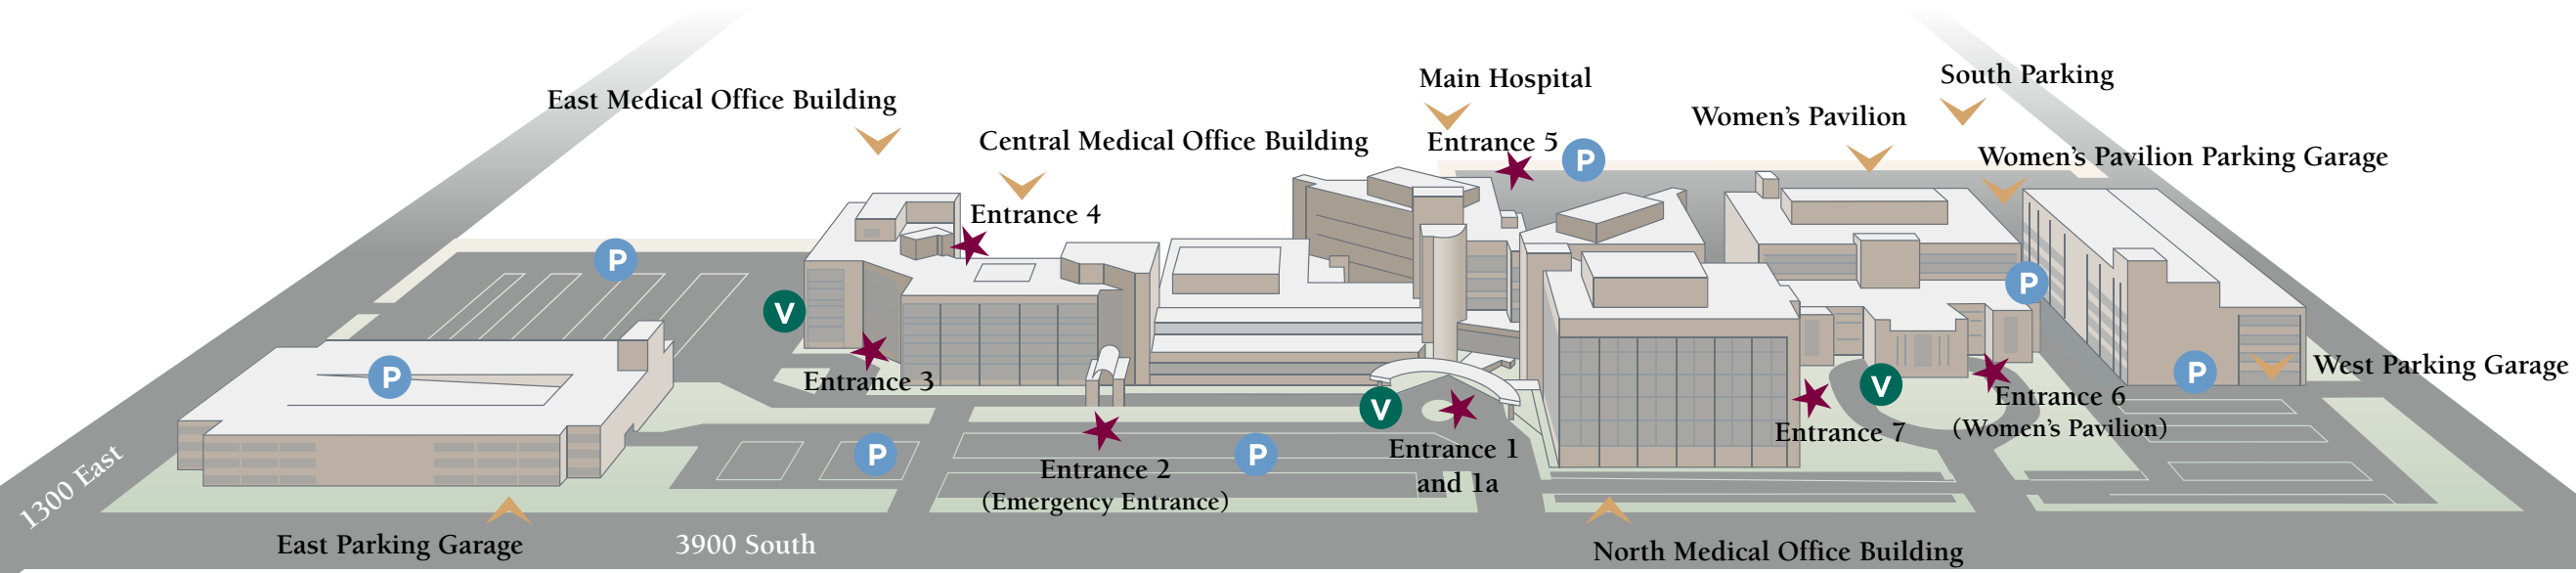

In order to maintain a high level of quality health care at St. Mark's Hospital, individuals with concerns about patient care and/or safety during their stay are encouraged to contact the patient advocate support line at 801-268-7779.
